

Cumbria Learning and Improvement Collaborative (CLIC)

Objectives

Objectives relating to the 3 strategies

Strategy 1: Education and Learning

1. Align education and training with the Five Year Plan
2. Simplify education and training in complex joint areas

Strategy 2: The Cumbria Production System

3. Develop and implement the Cumbria Production System
4. Align improvement activity with the Five Year Plan
5. Raise awareness of the basics in continuous improvement amongst all health and social care staff

Strategy 3: Leadership

6. Develop our leadership programme and deliver it to all our staff
7. Create an aligned culture of common behaviours and values

Other objectives

8. Support development of all staff in the CCG

9. Develop a CLIC faculty of members
